Will you kindly let me know if the Brooklyn National League team ever played the Athletics of East New York in the year 1907? P. H. and M. W. Last fall.

Were the Giants at any time this season at least 15 points ahead of the Chicago team? H. L. H. and M. W. Last fall.

No.

In the game for the American League championship between the Boston and New York clubs in 1904, was it a wild throw or a wild pitch made by Chesbro that lost the game for the New Yorks?

MACK.

Wild pitch.

1. Who acted as captain or manager of the New York and Brooklyn National teams during the suspension of their manager and captain this season? 2. Is a fly in the infield out if caught on the fly? 3. How did a Texas League hit get its name? 4. Where is Pitcher James Hughes, formerly of Brooklyn National League team, 1906-1907?

CAPT. BROWN.

1. McGinn usually acts for McGraw. Don't know about Brooklyn. 2. Yes, if first and second bases are occupied before a rule men are out. See section 8, rule 11. 3. Because in that league a feller once said that batters couldn't hit them on a line. 4. Unable to locate Hughes now.

Brenahan, Brown, McGinn get up in that order. Brenahan gets safe. McGinn runs for him. Brown makes out on a fly. Can another player take McGinn's place at first and McGinn get up to the bat, or is he out?

Yes, he can go to bat. But that is an impossible situation, as a succeeding batter would never be allowed to run under those circumstances.

A bats that if the score is 7 to 5 against the home team when they take their turn at bat in the last half of the ninth inning and the first two batters up make safe hits so there is one man on first and one on second, and the third batter comes up and puts the ball over the right field fence he is credited with a home run and that it counts a home run hit. Bats that he is only credited with a three-base hit. Now the question is, who is right? Please answer and decide our bet, as we have bet \$5 on the outcome of this and I hope you will decide in to-morrow's paper. By so doing you will greatly oblige.

J. O. R. H. L. H. and M. W. Last fall.

It wins. He only gets a three-bagger, as no more runs were needed.

Kindly answer the following question in your evening paper: If bats J that the American League had more attending than the National League during the season of 1905. Which is right?

HENRY FLEISHER.

According to figures printed in N. Y. right.

PINKERTONS EXPEL THE
CLOCKERS AT GRAVESEND

The final expulsion of the clockers and spectators from the Gravesend track grand stand was accomplished this morning. A Pinkerton being stationed at each entrance warning all persons away. The back stretch seemed to be "open ground," and here the clockers took up positions upon fence posts and trees and watched the horses put through their paces.

The track was fast, the gallops follow. DAINTY—One mile and a quarter in 2:09, handily. Very good work; she is in grand shape.

PROPER—One mile and a furlong in 1:18, breezing. Only galloping all the way.

VIRGILIS—Six furlongs in 1:17 3/4, breezing. Training very well.

ORNDON—One mile and a furlong in 2:07, galloping. Just a nice gallop.

HILLS EYE—One mile in 1:44 3/4, handily. Going in fine nicely.

CLOVERCROFT—One mile in 1:47, breezing. About ready.

JOHN LYLE—Six furlongs in 1:17 3/4, breezing. Can be sent to the post any day.

RED PRIAR—One mile in 1:41, handily. Only a selling player.

QUORUM—One mile in 1:41, breezing. Doing nicely.

EUGENIA BURCH—Six furlongs in 1:17 3/4, breezing. Seems in very good form.

CONTENT—Six furlongs in 1:20 3/4, galloping. Very nice trip.

P. A. MONK—Five furlongs in 1:03, handily. Ready to race and is a nice colt.

ROYAL BREEZE—Five furlongs in 1:00, breezing. Very clever and is fit.

MEHRILL—Four furlongs in 0:51, galloping. Will win at no distant day.

VINO—One mile in 1:42 3/4, handily. Doing well and is worth a bet.

HOGAN—Six furlongs in 1:17 3/4, handily. Ready to run his race.

COLONIAL GIRL—One mile in 1:40, galloping. She is in very good trim.

BERNARD—One mile in 1:41 3/4, handily. Can win if placed properly.

XMAS—Four furlongs in 0:52 3/4, breezing. Has some class and is fit.

WILTER—Four furlongs in 0:53 3/4, all out. Not of much account.

IRISH CHAMPIONS
WIN THEIR EVENTS

Sheridan Captures the Discus
and Kiely the Fifty-six-
Pound Weight.

The annual games of the Monument Athletic Club were held at Celtic Park yesterday.

There was a crowd of four thousand present that was delighted to see Tom Kiely and Martin Sheridan, Irish and American all-around champions, compete. Sheridan won the discus with a splendid throw of 135 feet 2 inches and Kiely the fifty-six pounds with 34 feet 3 inches. The winners hold the world's records for each of the events, a further proof of their right to possess the proud titles they hold. Kiely did not compete in the discus.

The Mohawk A. C. boys carried the crossed arms to victory in the 1,000-yard run and the hop, step and jump, in which they got all the places. Kiely tried for the latter event, but he was too heavily handicapped to win. Stephenson, the Irish jumper, met with an ugly accident in training, and could not compete. He tried and cleared a jump of 7 feet 2 inches.

The handicapper treated "Pete" Waters liberally, and he won the 300 yards easily. "Bob" Eller, of the Irish-American A. C., also accounted for the "hundred."

DEMUND AND W. H. DANIEL
ARE "MORNING GLORIES"

One Cost \$45,000 and the Other \$35,000, but
They Have Failed to Make Good for
Rich Owners.

BY FRANK W. THORP.

The most astonishing thing in racing this season is the fact that De Mund was sold for \$45,000 and W. H. Daniel for \$35,000. It is more astonishing when one reviews the performance of these two-year-olds previous to their sale that any one could have paid out any such money on such slim evidence of merit. The reported trial of De Mund at Gravesend was dazzling, it is true, but there have been horses before now who have worked fast in the morning and raced slow in the afternoon.

They call these kind "morning glories," and it is to be feared that De Mund and W. H. Daniel are in this class. They may run up and win some day, but they will have to have their day.

COLUMBIA CREWS
OFF FOR RED TOP

Squad of Thirty-three Go to
Training Camp Near
Poughkeepsie.

Accompanied by Coach Goodwin, Manager Bogus and Capt. Post, the Columbia crew of thirty-three oarsmen left this morning for Red Top, where all will be quartered during the practice taken on the upper stretches of the Hudson River, near Poughkeepsie, for the intercollegiate regatta the latter part of this month. The crews as now made up are as follows:

"Varsity Eight—Bow, A. P. Brain, '07; 2, E. S. Roy, '05; 3, G. L. C. Earle, '08; 4, G. L. Helmrich, '05; 5, C. H. Ferris, '08; 6, J. N. Boyle, '05; 7, G. S. O'Loughlin, '06; (captain); stroke, G. M. Mackenzie, '06; Coxswain, H. Dorsey, '06; Substitutes—M. L. White, '05; H. M. Sneydell, '06; C. Von E. Mitchell, '06; W. L. Wood, '08; T. A. Robinson, '06; C. S. McLean, '08; H. B. Post, '08; W. S. Winslow, '08.

"Varsity Four—Bow, H. Perrine, '07; 2, G. Norris, '05; 3, J. Tonnelle, '05; stroke, H. B. Taylor, '06.

Freshman Eight—Bow, E. R. Suarez, '08; 2, C. P. Jordan, '08; 3, L. H. Spalding, '08; 4, A. Y. Moran, '05; 5, H. H. Hodgkinson, '07; 6, P. P. Corneil, '06; stroke, J. Mackenzie, '06; Coxswain, D. Durant, '06; Substitutes, B. Willis, '08; H. W. Taylor, '06; H. McLean, '08.

The "Varsity eight is a little heavier than that of last year, the average height 173.8 inches, and the average weight 153.7 pounds. The substitutes average 163.7 inches and 142.2 pounds, the average height 163.4 inches, and the average weight 142.2 pounds. The freshmen average height 162.7 inches, 5 feet 11 inches in height and 137.8 in weight.

There has been some doubt of the entry of the freshmen crew owing to the inability to raise the necessary funds, but this seems to have been overcome. It is on the four that the best hopes of Columbia rest in securing honors in the regatta.
